DEDICATION

We, the Senior Class of 1947, with deep appreciation and great respect, dedicate this Senior Annual to our parents, those faithful friends who have guided us from our earliest days to this great time of times. Sufficient thanks and appreciation for these wonderful souls can never be adequately expressed, but in this way we should like to pay to them this tribute.

SENIOR CLASS OF 1947

SUPERINTENDENT

MR. J. A. CAYWOOD
Superintendent Kenton County Schools

May your days be filled with useful tasks and your community be made better because of your efforts.

PRINCIPAL'S ADDRESS

The Senior Class of 1947 has arrived on the threshold of *life out of school* at a time when "Education for the Atomic Age" is the challenge to our schools.

We are one year away from the end of the War that ushered in the Atomic Age, a War that assured us of a continuation of our democratic principles and ideals as we know them. During your stay at Simon Kenton I hope you have imbibed sufficiently these principles and ideals that they will enable you to adjust yourself to a changing society in a changing world.

May I congratulate you on your graduation. Do not let this be the end of your growth educationally.

It has been a pleasure to work with the class of 1947.

Best Wishes
Martha Cockrell

MISS ELMA TAYLOR

SPONSOR'S SPIEL

It has been my privilege and pleasure to work with you, teach and counsel you, to the best of my ability during your high school days. I am proud of your record and achievements at Simon Kenton School. You have been a splendid class. I extend congratulations on your graduation.

May 1947 mark your entrance into life's school. I hope this is not the end of your schooling but the beginning of a richer, fuller life for you. My prayer is that your education will continue through life and that you will be tolerant, kind, and understanding of your fellow man.

The Poetess expresses my parting counsel.

True worth is in being, not seeming,
In doing, each day that goes by,
Some little good—not in dreaming
Of great things to do by and by

There's nothing so kingly as kindness,
And nothing so royal as truth.

MY ANNUAL AND I GROW OLD

At close of day the sunset's found me;
And shadows steal around me,
A-musing now in the firelight blaze
Of those dear friends of other days,
As I backward look.

My hair is gray, my eyes are blurred,
Yet something keeps my mem'ry stirred;
I think today of other years,
And I close the book.

The thousandth time I've looked it o'er,
But each time means a little more;
Though high school days have long been gone,
With me they still live on and on,
Till my days are closing.

The book slips softly from my hands,
As classmates left for other lands;
My daughter, tall, and strong, and fair,
Steals up behind my old armchair,
And finds me dozing.

OUR PUGILIST

JACK ROSS

Simon Kenton is proud of Jack Ross, who is the middle-weight champion of Kenton County and of Fenwick Club.

APPRECIATION

READ OUR ADS

Ah! Ah! Ah! Don't close that book!

Special thanks to Dr. Paul B. Clark, the sponsor of our Annual who guided us so efficiently; Miss Elma Taylor, for her marvelous work on the ads; Mr. Alvin Sebree, for his kind help in the typing of the material for the Annual; Mr. R. C. Hinsdale, who helped us greatly in our business negotiations; and to everyone else who has helped us in any way. We deeply appreciate their advice and assistance.

It has become a tradition at Simon Kenton to have our printing for the PIONEER done by T. & W. Printing Co., 17 West Southern Ave., Latonia, Kentucky. For their efficient service and patience, we say "Thanks."

Naturally Young & Carl, Seventh and Vine Streets, Cincinnati, Ohio, did our faculty, senior, and group pictures. Why? Because they do such a splendid job. To them we say "Thanks."

The Advertising Engraving Co., 400 Pike Street, Cincinnati, Ohio, is the firm which made the zinc half-tones from which all pictures are made. We thank them for their wonderful co-operation and for the help they gave us while the Annual Staff "worked" at the firm for several days.

Thanks go to the National School Studio, Indianapolis, Indiana, which made our small pictures. As you can see, they did a fine job.

The publication of this Annual could not have been accomplished without the support of our advertisers. Sincerely do we appreciate their patronage and we urge our readers to support them in their business.

And so ends the efforts of another staff of THE PIONEER.

THE TELEPHONE

SYMBOL OF SERVICE AND OPPORTUNITY

In an organization like the Telephone Company *every* job is important! That's why each year so many high school graduates choose telephony as a career. They know a job with the Telephone Company offers not only good wages, regular raises, excellent working conditions, vacations with pay, and opportunities for advancement, but a chance to be of real service to their community as well.

If you are interested in a profitable business career, *now* is the time to begin.
